Plaintiff,

v.

Internet Brands, Inc., a Delaware Corporation
d/b/a Cars Direct,

Defendant.

No. CV 7-506 RSL

JOINT STATUS REPORT AND
DISCOVERY PLAN

The parties to this action submit the following Joint Status Report & Discovery Plan required by the Court's Order. The parties respond to the Court's specific inquiries as follows:

1. Plaintiff Zango, Inc. provides internet marketing services, including advertising services purchased by Defendant Internet Brands, Inc. that delivered advertisements (by opening a new browser window directly to Internet Brands' designated web site) to internet users. Zango claims that Internet Brands failed to pay for all of the services provided and breached its contractual agreements with Zango. Internet Brands denies that it breached agreements with Zango or that it owes money to Zango. Internet Brands has counterclaimed, alleging that Zango improperly charged Internet Brands for advertisements directed to non-U.S. internet users. Internet Brands seeks damages, including a refund of the money paid for the non-U.S. advertising it paid for. Zango denies these allegations and denies that it owes money to Internet Brands.

2. The parties agree this case would benefit from mediation.
